

The office of St. Germain Town Treasurer will be vacated by Marion Janssen when her term ends in April. I am Jeanna Vogel, candidate for that office. Let me take this opportunity to introduce myself and request your support in the upcoming election.

**Background:**

I am a long-time resident of St. Germain, having moved here when my parents began operating King's Bay View Resort on Little St. Germain Lake. I graduated from Northland Pines High School before earning a degree in economics and business management at Ripon College.

My husband, Jimmy, and I are actively involved in the community. Jimmy serves on several town committees. I served for several years as a PTA board member, and often worked the concession stands at soccer games and track meets.

**Experience:**

The primary role of a town treasurer is to ensure property taxes and other sources of revenue are collected and tracked, and to help the town board monitor utilization of those funds. While maintaining balanced budgets and meeting community needs are the responsibilities of town supervisors, the non-voting advisory office of treasurer is important to ensure the board is making informed decisions.

My business experience makes me well suited for the position of town treasurer. For most of my career, I've worked as a consultant helping large companies manage their health care benefits. I currently work full-time for IBM out of my home and my responsibilities include:

- Setting annual budgets, and monitoring sales and profit margins against those budgets,
- Negotiating contracts and managing client invoices,
- Collecting and analyzing benefits information for large organizations, and
- Managing large projects with a focus on process improvement.

Similar to a business, our town needs to get the most out of the limited resources we have. My professional background, strong communication skills, and productive work ethic will enable me to work effectively with town supervisors while also satisfying the statutory requirements of a town treasurer.

**Questions?**

I would be happy to chat with you to address any questions, or meet in-person as long as we can adhere to safe social practices. You are welcome to call me at 715-891-1876 or email me at [Vote4Jeanna@hotmail.com](mailto:Vote4Jeanna@hotmail.com).

Thanks for your time. I hope to have your support on April 6<sup>th</sup>!
