

BOARD MEMBER AUTHORITY

Authority of individual board members is limited to when the Board or a Standing Committee is in a properly called meeting. No individual board member has authority to bind the Board outside of such meetings except as authorized by State Statute 60.24.¹ Actions on matters relating to the Town shall be taken only while the Board or Standing Committee is assembled in a proper meeting. Board Chairperson powers and authority shall be exercised in accordance with State Statute chapter 60.24.
