

Bo-Boen Snowmobile Club

(Established 1969)

Fun Facts

We thought we would share a few facts about our Club and its operations.

- With over **100 miles of trails**, St Germain is known for having the best trail system in the State
 - o We are appreciative of the more than **40 kind landowners** who allow us to maintain winter trails across their properties
 - o **Volunteers** and our crew of **16 dedicated and experienced groomer operators** logged over nearly 310 hours doing trail & equipment work and another ~1310 hours grooming trails
 - o There are more than **1,000 Trail and Route signs** used to mark the trails. These signs provide direction, warnings, and information to riders
 - o Over 6500 miles of trails were groomed this past winter season covering 5 routes on 65 nights
 - o The Bo-Boen's print over **5,000 annual Trail Maps** which includes advertising and location details for **98 map sponsors**. Maps are distributed to members, establishments throughout the area, and the Chamber of Commerce.

- The Club operates **3 Groomers with Drags**:
 - o 2024 Tucker Terra – purchased 7/2023 - 9'6" Arrowhead drag
 - o 2023 Tucker Terra - 8'6" Arrowhead drag
 - o 2023 New Holland Tractor w/tracks - 9'6" Arrowhead drag
 - o *Arrowhead drags are manufactured locally in St Germain*
 - o **~\$850,000 investment in grooming equipment.** *The equipment is housed in a locally built and maintained Groomer Barn*

- Membership was slightly up this past season to 1200+ making the Club the **largest in the State**
 - o This was helped by our expanding reach with our Facebook page (up 2k followers to over 11k)

- Annually, Bo-Boen DNR Certified Snowmobile Safety Instructors host the **largest in-person safety class in the State**. The class averages 50-75 youths often with parents participating and/or spending time in the area.

- St Germain has also been recognized as a **Snowmobile Friendly Town** by the Association of Wisconsin Snowmobile Clubs
