Purpose of Meeting: Granting the Town Board the authority to purchase a maintenance shed, pursuant to §60.10 (2) (f) Wis. Stats. The Town Non-motorized Trails Committee has sufficient funds from sources other than property taxes to purchase a small storage shed needed at the Fern Ridge Recreation Area for safe and organized keeping of a growing accumulation of trails maintenance tools and equipment. The Town Board needs approval of the majority of electors in attendance at a special elector meeting in order the purchase the shed. The purchase will not raise the current property tax levy.

Motion: Jimmy Vogel made a motion that the electors authorize the Town Board to purchase a maintenance shed pursuant to §60.10 (2) (f) Wis. Stats; second Ellyn Dahnke. Discussion: None. 21 voted yes. The motion passed by voice vote unanimously.

Adjourn: Christensen that the meeting be adjourned at 7:03 PM.
