By Ice Rink Shack possibly? Talk to Stoltman for placement

Ordering Hoops: Heather is in Charge and will look in Early Childhood Magazines.
Basketball Hoops in Play Yard books commercial Grade.

F. Fitness Center-exercise bands completed?

Dave Sixel knows how to put in Exercise Bands, Karen is in charge of this and will talk with him to try to coordinate a time to meet with him to mark where to place. Then town DPW can hang.

G. Ice Skating Rink discussion

No Liner is needed to buy specialty-wise. Use VisClean plastic (found at Menards).

Liner will get destroyed year to year so something cheap is more practical.

Use 2x4 or 2x6 boards for edge

Need to get an estimate for cost of materials/supplies to build

Talk to town board about using the space under pavilion vs the old ice rink space

Lights on a timer (Xmas lights or LED Strip Lights)

Follow UP with project at next meeting

Possible size?? 60 x 175

H. Light Up St Germain discussion

Prime Timers used to be/are in charge of event: Light Up St Germain

We would like to bring back to decorations/upgrade lights & use towns \$ to get it back going

"Lighting up the community by the community" Idea for theme/way to promote the idea to community businesses

Ideas/Theme: Christmas vacation: Griswold's

Put together letter to possibly get xmas light volunteer

-Water source options & What to Use to transport the water?? Hoses or Plastic Tote or some way to get water to flowers in three different spaces

* Nancy Szott would like to help with Xmas again (11 - 1??) Dec 2 They did letters & helped with kids, & They booked sleigh and payed for it.
