**Town of St Germain
Comprehensive Plan Update
Public Participation Plan (PPP)**

The Town of St Germain recognizes the importance of public participation in the planning process. As such, a goal during the comprehensive planning process will be to inform and involve the public in the planning process.

- A. Plan Development:** Throughout the plan process, the Zoning Committee will provide oversight for the update of the Comprehensive Plan. The Zoning Committee will also recommend adoption of the Public Participation Plan to the Town Board. The public participation plan will incorporate the following:
1. All meetings for the planning process will be posted and open to the public.
 2. Plan related materials will be available from the Town Clerk for review by the public.
 3. The draft plan and maps will be available on the Town website for review by the public.
 4. A public hearing will be held to solicit comment from the public.
 5. The Comprehensive Plan will be distributed as outlined in state statute.

- B. Implementation, Evaluation & Update:** The Comprehensive Plan will be used as a general guideline for development in the Town. The plan will support the existing zoning and other regulations that the Town has in place.

As with all plans, it is critical for the Comprehensive Plan to be maintained and updated on a regular basis to keep it current as things change.

Any planning process is subject to change, and this public participation plan is no different. Over the planning period the process may vary from that presented.
